

fine Expression in Darmstadt has offered premium translations in more than 60 languages for over 25 years. We bring together technology, native language instinct and specialist expertise. Our individual, tailored language solutions serve every sector of industry, all over the world. We deliver target languages in every required format, enabling our customers to achieve their international goals quickly and effectively – something we are very proud of!

We are currently looking to recruit a dedicated and expert for our headquarters in the Rhine-Main-Necker region

Translator (full time) into German

with the high standards and passion for producing premium language versions in the desired specialist fields for world-renowned industrial customers.

Role in the fine Expression team

- Creation of translations from English into German in the marketing/business/technical/IT fields
- Proof-reading and editing: revision of customer texts and translations in German
- Compilation and maintenance of terminology and qualified research in the specialist fields
- Content-related customer communication, on-site deployment at customers
- Close cooperation with the fine Expression team and external translators worldwide

Profile and qualifications

- University degree in linguistic studies
- Professional experience as a translator across various specialist fields
- German native speaker with excellent command of English
- Assured language and specialist expertise in all fields of our customers' target texts: content, grammar, consistent terminology and orthography of German texts
- In-depth knowledge of the use of CAT tools
- You are self-reliant, reliable and dynamic, with a thirst for knowledge.
- You work accurately and efficiently.
- You are open to new specialist fields and technologies.
- You have quick perception and a sense for language and style.
